Council Committee Memorandum

TO: Joint Council Committee
THROUGH: Tim Murray, City Administrator
MEETING DATE: April 7, 2020
SUBJECT: Consideration of Prorated License Fees due to COVID-19 Response Business Closures

Discussion:
The Governor’s Emergency Executive Order 20-04, issued on March 16, 2020 stated that no later than March 17, 2020 at 5:00pm, and continuing until March 27, 2020 at 5:00pm, the following places of public accommodation were closed to ingress, egress, use, and occupancy by members of the public:

- Restaurants, food courts, cafes, coffeehouses, and other places of public accommodation offering food or beverage for on-premises consumption, excluding institutional or in-house food cafeterias that serve residents, employees, and clients of businesses, child care facilities, hospitals, and longterm care facilities.

- Bars, taverns, brew pubs, breweries, microbreweries, distilleries, wineries, tasting rooms, clubs, and other places of public accommodation offering alcoholic beverages for on-premises consumption.

On March 25, 2020, Governor Walz issued Emergency Executive Order 20-18, which extended the closures until May 1, 2020 at 5:00pm.

The City of Faribault offers a variety of different Liquor Licenses including Club, On-Sale, Wine, and Theater Wine Licenses. Fees for these licenses range from $300 - $3896. Due to the current Executive Orders that are in effect, licensees are unable to carry on the business operations authorized under their licenses.

The City of Faribault Code of Ordinances, Chapter 2, Section 4-17 states that a refund of a pro rata share of an annual license fee may occur only if authorized by Minnesota Statutes, Section 340A.408, Subd. 5. This statute states that a pro rata share of an annual license fee for a retail license to
sell intoxicating or 3.2 percent malt liquor, either on-sale or off-sale, may be refunded to the licensee or to the licensee's estate if:

(1) the business ceases to operate because of destruction or damage;
(2) the licensee dies;
(3) the business ceases to be lawful for a reason other than a license revocation; or
(4) the licensee ceases to carry on the licensed business under the license.

Additionally, the City licenses massage therapists ($55 annually) and establishments that sell tobacco and tobacco related products ($200 annually) that have been affected by the executive orders.

Staff is recommending that the Council consider the charging of prorated license fees for those establishments that were required to cease their operations under the orders from the Governor. If the Council is in agreement, then at such time that they are allowed by the State to resume operations, Staff will calculate and refund (or deduct from subsequent license payments) the prorated amount of the applicable license fees to the licensees for the time of the closure.
