REVIEW OF FRIENDS OF LIBRARY PLAZA PROJECT:
- Delane noted that this is the fifth design being considered by the Friends and that the Friends have not decided on the type of shade structure they would like for the plaza. The Friends have budgeted $100,000 for the project and the cost for the first phase projected to be close to $200,000. The Friends plan to do fundraising in the community and to move forward with the project this spring in conjunction with the parking lot expansion.
- The Friends goal for the plaza is to create an accessible and inviting space where everyone in the community feels included. The current design includes ramps on both sides of the plaza. The parking immediately in front of the plaza will become green space and parking spaces will be gained as part of the parking lot expansion project.

REVIEW OF 2020 STRATEGIC PLAN IMPLEMENTATION TASKS:
The Board reviewed the implementation tasks for 2020. Delane noted that one task that will not be completed is the installation of a drive through book drop as it was pushed back to 2022 in the Capital Improvement Plan during the 2020 budget cycle.
