FOR IMMEDIATE RELEASE

CONTACTS: Faribault Chief Andy Bohlen

Dispatch: (507)334-4305

June 13, 2017

THE FARIBAULT POLICE DEPARTMENT INVITES THE PUBLIC TO COME AND MEET THE NEW POLICE CANINE TEAM. OFFICER ADAM MARVIN AND HIS NEWLY-TRAINED PARTNER “CANNON” WILL BE INTRODUCED TO THE PUBLIC ON THURSDAY JUNE 15TH AT 4:30 AT THE FIRE STATION PRIOR TO THE MAYOR’S RECEPTION.

The Faribault Police Department would like to formally invite members of the community to come and meet our newest police canine officer and his handler. Officer Adam Marvin and K9 Cannon recently certified as a police canine team through St. Paul Police Department’s canine training program. They just hit the streets and are anxious to meet the public. Cannon is an energetic young male Belgian Malinois that was brought here from Europe and he is eager to use his special skills and protect the Faribault community. The crime fighting duo will be at the Faribault Fire Station (122 NW 2nd Street) on Thursday, June 15, at 4:30 pm.

Faribault residents and other supporters responded with generous support for the police department’s canine program by raising over \$35,000 through donations and by fundraising from the sale of stuffed police canine “Chase” dogs at Paddington’s Feed & Seed, Affinity Plus Credit Union, and the Faribault Police Department. On Thursday, the department will also be formally recognizing those that provided substantial donations to the program.
